*The Magic Mile is a training tool designed to help you find a realistic race pace. On the first Magic Mile, warm up as usual and then run or walk one mile (1.6 km) slightly faster than your normal pace. Time your one-mile run/walk with a stopwatch. Run or walk easily the rest of the distance assigned for the day. On each successive Magic Mile, warm up as usual and then try to beat your previous one-mile run/walk time. Your 5K race pace should be one to two minutes slower than your fastest Magic Mile time.
